MedTrainer + **KPCA** KENTUCKY PRIMARY CARE ASSOCIATION

Working Together to Save Time and Maintain Compliance

Efficiency is key to managing the fast pace and complex regulations that community health centers face. To increase your efficiency, Kentucky Primary Care Association provides all members with a complimentary MedTrainer subscription.

KPCA Offers These MedTrainer Products at No Cost to Members

MedTrainer Learning
A proprietary library of more than 1,000 healthcare topics specifically designed to meet HRSA and accreditation standards, with topics including women's/infant health, homelessness, behavioral health (general), and substance abuse. Enjoy automatic assignment, reminder emails, and real–time reporting.

Safety Plans
Maintain OSHA safety plan compliance in 15 minutes with MedTrainer's pre–built, customizable safety plans. Staff can locate and access the online plans at any time so they are prepared and informed for workplace hazards and disasters.

SDS Management
MedTrainer offers immediate access and your own digital binder for more than one million safety data sheets (SDSs) with the ability for you to upload any that are specific to your organization or not already in our proprietary database.

Onboarding Paths
MedTrainer's onboarding paths automatically assign courses, documents, and policies by role when employees are added. With all of these documents in one place, you can save time and simplify the process of onboarding new staff.
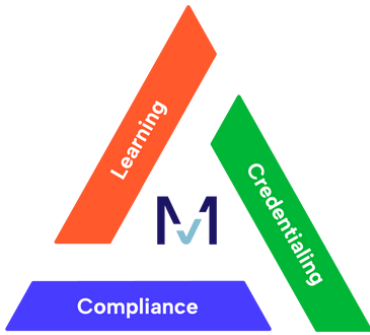

Why MedTrainer for Community Health Centers?

94%

94% of CHCs are more compliant using MedTrainer

5 HRS

5 hours saved per CHC employee on onboarding

100%

100% of CHC customers passed a survey this year

Educate. Credential. Comply. Accelerate.

MedTrainer streamlines compliance with a unified digital platform that optimizes workflows and accelerates education, credentialing, and documentation.

Enhance Your KPCA–Sponsored MedTrainer Subscription:

M Compliance

Document & Policy Management
Create or upload documents in one central location, request approval, send to staff for review and to save in their electronic binder.

Incident Reporting
Customizable online incident report forms improve the collection of specific data to eliminate delays, identify trends, and resolve issues more quickly.

Contract Management
Consolidate and organize contracts and service agreements to streamline collaboration, provide transparency, and meet renewal deadlines.

> "Previously, I had to dedicate significant time to putting all the training materials together, researching the content, and then actually facilitating staff training. Since we have adopted MedTrainer, our time savings have been substantial and our staff satisfaction has been noticeable — and that is priceless.
>
> **– Kelly Durall | Community Health Centers of Western Kentucky**

M Credentialing

Provider Document Management
One location for over 500 provider data points with CAQH provider profile management.

Automated OIG/SAM Exclusion Checks
Every time you enter a new employee, SAM/OIG exclusion checks automatically run.

Primary Source Documentation Workflows
Get a unified view of application status, priority, last update and more to minimize delays.

DEA Verifications
Easily access professional licenses, board certifications, and DEA licenses.

Highly–Customizable Reporting
All the data you need in one place for on–demand reports that you can save or schedule.

Managed Credentialing Services
Let MedTrainer's team of credentialing specialists handle the entire process for you.

ABOUT MEDTRAINER
Since 2013, MedTrainer has been helping busy healthcare professionals manage their credentialing, training, and compliance needs while maintaining the highest standards of safety for staff, patients, and the organization.
